

Project MORE

Would you be willing to put a smile on a student's face? Do you have 30-60 minutes a week to spend time helping a child learn to read? If so, do we have a place for you?! The Project MORE program at Wheelersburg Elementary School is in need of mentors. This is your opportunity to make a difference in the life of a child! For more information, call: Mrs. Tina Green, Project MORE Coordinator, at 574-0641.

To become a mentor, please complete this form, and return it to the school.

Name: _____

Address: _____

Phone: _____

Circle the days and times you are willing to mentor.
